Click for more details Solar Power. Not suited to persistently foggy properties or snow covered panel. I have used all the top brands in electric fences and this has been the best in as far as set up, no fiddling around and works straight away. This updated model seems better and is keeping our horses off the fence. Very happy with it. All are in excellent working condition. A couple of years ago I return one of the units for repair by post. They are a great bit of gear and have been brilliant to use with my horses. Recently purchased another to split some paddocks until I get more permanent fencing at our new property. Excellent units. You wont go wrong with one of these Has a few too many functions that make it confusing to set. Would recommend Sureguard. Not any more! I am very impressed with the electric fence energiser purchased from you recently. Without doubt it is the best quality and value for money product that I have ever purchased, please keep up the good work. Excellent unit. Thanks again for your help I'll be buying more of them. Compact, sturdy and packs a punch. Just purchased another for strip grazing.

The circuit is completed when the wire is touched.
